FOSSIL HUNTERS

"A horse! a horse! My kingdom for a horse!" almost shouted irma, as sho danced, two steps at a time, down the broad stairway of the Park Hotel, "What clo you think of these for your collection Clysters! Over a thousand years old, found fin beds almost at the top of the Rocky Mountains-Professor aferton told me so or other about a mine but be'll tell tell just where to hunt is we won't touch the catched near the arter Ranch. Just think of a horse no bigger than a sheep, dead for hundreds of years, being worth over a thousand dollars."

What are you talkin gabout? Hunt for what?" I asked, laughing "As usual you are off at hulf cock, with your horse behind your cart.

"But it isn't behind the cart this fime, but very far ahead, and we're going to hunt till we find it and there's camela and mustodons, and turtles, and foces, and teeth enough to stock a dental surgeon for the rest of his life-and I'll have wear overalls and a compunctor a Stet-

Ithink I see Dick and your father wearing short skirts.

'Oh, manima, how ridiculous! you know I didn't mean that. But it's all perfectly splendid-and Dick Harley knows the

at under the circular skylight in the dim that of the sau of my heart, heliway. Clear gray eyes ,an expressive care, and others there were beside my partial self who thought a more wins me maiden would be hard to find.

We, her purents and his, had planned sciously she had played into our plan. Isfr flowers in a beautiful garden they son's called its father." had grown and none who looked upon

about. He's been talking all the morning Paul's livery barn, to Professor Merton and a couple of Deworse than I have. There there've been to be back in an hour " entire morning down by the Black Eagle Falls, perched o na fosed palm, he giorious, and I'm not at all tired. like four black crows, talking formils and added my child, hardly waiting for coning to Sapphire Bar to hunt for genas, and road. its catching in the west just like bucking, center of the spring. It is enough to little while-it's something in the nile in the Yellowstone Park. The excess of a don't you know! Didn't you say off at lost river, Professor Merton says, gusb-
